George Brett

Brett Int'l Sports is a manufacturer /distributor/supplier of fine baseball equipment, endorsed by the Brett family and led by MLB Hall of Famer, George Brett.

Founded in 1999, Brett International Sports is more than just a family business. It's a company dedicated to providing baseball & softball enthusiasts, of all ages and skill tiers, easy access to premium baseball & softball equipment at affordable prices.

The Brett family's many years of professional playing experience, coupled with a world-class product development team ensures that every BRETT product developed and sold around the globe is meticulously crafted by the best field experts possible and is held to the highest allowed performance ceiling standards of quality and consistency.

Today, BRETT's footprints can be traced across continents, a brand of choice for many and a proud equipment partner with a number of international baseball & softball associations and professional baseball leagues, including CTBA, ABA, IBSF, HKBA, FIBS, ABL, BFA and WBSC.

COOLING FABRIC

Specifically designed for the high endurance athlete and tested by the pros.
This Super soft 4-way stretch fabric allows superior range of body motion, movement and eliminates core restriction.
The ultra-wicking fabric construction combined with evaporative cooling management system keeps you comfortable, dry, and cool.
Comfortable compression fit provides support to muscles and activates your circulation, increasing overall performance, recovery and relief.
BRETT Performance Apparel is suitable for various sports activities.
